assured performance

www.comzent.com

Comzent Technologies Pvt. Ltd is a Website Designing, Software Development, Bulk SMS and ERP(Hospital and Industrial), web & software development, E-Commerce Solutions , Search Engine Optimization , Mobile Application (Android / ios), Digital Marketing company that provides effective solutions in web designing and software development. We deliver end to end business solutions that leverage the deep industry and functional expertise. We work closely in understanding your business needs and utilize the appropriate technology.

Comzent Technologies Pvt. Ltd was founded to bring businesses into the cyber world by improving efficiency and online effectiveness. Since day one we have grown, evolved and gained valuable industry knowledge and experience. We offer flexible, cost effective web solutions that deliver real value and returns for our clients. We genuinely like to think of ourselves as a unique web design and development agency in Aurangabad. We are committed towards achieving high levels of customer satisfaction by ensuring quality, cost effective and timely solutions.

Vision & Mission

Our Mission

Our Roadmap starts with our mission, which is enduring. It declares our purpose as a company and serves as the standard against which we weigh our actions and decisions.

- To provide customized business solutions to clients in IT/Non IT industry based on emerging technologies.
- To maintain long term mutually beneficial relationship with our clients.
- To deliver excellent services and solutions with the best in industry practices.
- To inspire moments of optimism and happiness...
- To create value and make a difference.

Our Vision

Our vision serves as the framework for our Roadmap and guides every aspect of our business by describing what we need to accomplish in order to continue achieving sustainable, quality growth.

- **People:** Be a great place to work where people are inspired to be the best they can be.
- **Portfolio:** Bring to the world a portfolio of quality work that anticipate and satisfy people's desires and needs.
- **Planet:** Be a responsible citizen that makes a difference by helping build and support sustainable communities.
- **Profit:** Maximize long-term return to shareowners while being mindful of our overall responsibilities.
- **Productivity:** Be a highly effective, lean and fast-moving organization.
